

Wellbeing4LA:

A new online learning center for Los Angeles County!

The Wellbeing4LA Learning Center delivers a personalized and accessible learning environment that is available to learners at home, at work, or in transit. Designed for the workforce across Los Angeles County that supports the mental health and wellbeing of children, families, and adults within systems of care. The Wellbeing4LA Learning Center reflects the needs of each learner and their professional role while prioritizing professional wellbeing in and out of the workplace.

We invite you and your team to join us at

If you are having trouble creating an account, email us
at support@wellbeing4la.org.

Learners can expect:

- Interactive, empirically supported courses that assist in system transformation and the implementation of evidence-based practices across county sectors.
- Topic driven resource collections with curated videos, courses, apps, and printable resources that support prevention practices within a variety of sectors.
- Collaborative learning communities offering an engaging, protected space where learners can exchange new ideas, problem solve, and engage with coaches as they adopt and implement a new practice.
- Quick access to materials facilitated by a modern search engine that provides relevant results and recommendations.
